Introduction

In this Webquest you are going to share information about your family. You are going to talk about your family, its occupations and you are going to do a physical and personality description of your closest relatives with whom you identify best. You will tell why you consider that Family is the best thing in the world. You are going to post on your blog or take it to your class at least one physical description about one of your relatives and at least one personality description of one of them.The image was taken from:<http://www.backyardlandscape.net/family-tree-for-kids/>

Tasks

To speak and write about your family, you will learn or review the different names as cousin, aunt, nephew, etc. You will check or learn their different occupations. You will recall or learn how to do a physical and personality description of them. I will give you different web sites for your quest.Before doing your work, go to the web sites and videos that are in the Resource part below.Then, you will be able to answer these questions:1.How many brothers and sisters do you have?2.Do you have your four grandparents?3.How many aunts and uncles do you have?4. How many cousins do you have?5.Can you make a physical description of one member of your family?6.Can you make a personality description of one of your favorite relatives?7.From all your relatives, tell us about 5 professions of them. Write the kinship and the occupation.8.What interesting thing can you share with us about a family routine?9.Why do you think that your family is the best thing in the world?10.Choose a day to describe your daily routine.You are going to post this information on your blog or take it to your class.The image was taken from:<http://www.mbwfamily.com/site/mbw/genealogy/>

Process

1.First go to the resources to find the vocabulary to answer the questions.2.Then, answer the questions in your notebook and share orally that information with a partner. Ask and answer questions about your family and write his/her answers on your notebook about your partner's family.3.Finally, at the end of your work, you will have 3 sheets of paper: your family tree, drawings of your 5 relatives' professions, and 5 drawings of physical and personality description of 5 of your relatives.Image was taken from:http://www.sodahead.com/living/what-does-scaffolding-actually-do-that-is-what-is-the-ultimate-goal-for-scaffolding/question-714824/?link=ibaf&imgurl=http://images.sodahead.com/polls/000714824/polls_i_09_p_dev_2b_5551_554326_poll_xlarge.jpeg

Teacher Page

I planned to do this Webquest for my Fourth grade students of Junior High School. They are from the No. 1 National Preparatory School in Mexico city. I am glad to share this with all English teachers and I hope it will be useful for them. Mtra. Marsella Robles Mier y Terán E-mail: marsella_robles@yahoo.com.mx
