Introduction

This webquest is for four and five year old children or children with special needs. Play games and learn. Have fun.

Tasks

These are examples what your child/student will be asked. How many books is Emma looking at? What color is the ribbon on top of the books? What color is Emma's hair?

Process

Children learn at all levels. Some of these quiz's may be too hard for them. Other's may be too easy, but many are just right. Have fun.

Evaluation

Each question is rated with a number. Getting them all correct will be rewarded with a star.
