Introduction

It all started with...The Hunger Games. Children from districts around Panem are thrown into the ultimate game. The game that decides whether they live or die.
Click HERE to watch the Scholastic book talk for the novel.
In this WebQuest, you will be taken on a cross-curricular journey that delves into all parts of novel.
Good luck. May the odds be ever in your favor.

Tasks

Process

Below there are links to a variety of sites. Each of these sites will contain a quiz, game or article relating to The Hunger Games. You are required to visit them all and do the activity that goes along with each site.
1. Take the Hunger Games Quiz on Quia.
2. Read the article about Dictatorship. What countries do you know that had dictators? The article talks about Totalitarianism. This is the type of government that exists in Panem.
3. Print out the map of Panem. Label each district with the resource they provide to the Capitol.
4. The Gamemakers had to create the Arena and determine the area and perimeter of the Arena. Practice finding the area and perimeter of rectangles.
5. Use the Comic Strip Creator to create a comic strip based on one major event in the novel.
6. Create a poplet to illustrate symbiosis. Instructions are listed below.
