Introduction

Imagine yourself walking into the Louvre, the world's largest art museum which houses one of the most impressive art collections in the world! Growing up in such a small, rural town you probably never thought you would get the chance to travel to such an amazing place and see so many famous works of art, but with the help of technology, a whole new world has opened up for you. In this webquest you will travel through the Louvre discovering new art and learning about artworks you may have seen before. As you continue through the webquest you will need to follow the links provided and answer the questions associated with each link. So, get ready because we are about to embark on a journey that takes us to the past!

Tasks

You will visit the Louvre, view a selection of artwork, take a virtual tour, and answer questions about things you see while on your virtual journey. Once done you will create a GoAnimate, Voki, or Prezzi presentation on an artist you learned about during your virtual tour or on the Louvre itself. Good luck and have fun!
