### Introduction

This lesson is to learn the kids about the four seasons and includes an art activity at the end of this lesson plan.After this lesson ,students will be able to:- Identify the names of each of the four seasons,clothes,colors,weather, animals , fruits.

### Tasks

-collection of seasonal objects.-Bring real objects from home.-Bring seasons colors.-Bring seasons fruits.-Telling a story about one season.

### Process

-To improve the idea of &nbsp;the difference between &nbsp;the four seasons i will ask them to apply one activity as a &nbsp;group work to bring from home fruits related of one of the season. &nbsp;and make a fruits &nbsp;salad in the class the next day.

### Evaluation

At the end The kids will be able to name the four seasons,the clothes,colors ,fruits,vegetables,weather.

Category and Score					Score
I can name the 4 Seasons. I can tell you how the weather changes outside . I can each tell you what to wear during season. I can name animals that I might see during each season					
				Total Score	

### Conclusion

At the end of this lesson the kids are able now to identify all the differences between the four seasons : fruits,vegetables,clothes,colors,weather, they have learned a lots of songs & poems ,listened to a funny story,made yummy fruits & vegetables, created wonderful arts,played games, I can asked them now maybe to prepare together to a theater play about the four seasons & everyone will take a role model of a season that will improve the self- confidence of the kids .

# Teacher Page

Teaching is a work of art ,teach by love ,learn by play, after 15 years experience with kids I can't find myself in other major than teaching .Teaching schoolchildren happiness,empathy,altruism and compassion,has proven beneficial results for classroom learning as a whole.A teacher takes a hand,opens a mind,touches a heart.Learn by playing.
