### Introduction

Past Continuous is one of the most frequently used tenses, that's why it is necessary for every intelligent and educated person to know it. This WebQuest will definitely help you. Here you can find ways to form Past Continuous, examples of tenses in Past Continuous (Interrupted Action in the Past, Specific Time as an Interruption, Parallel Actions, Atmosphere, Repetition and Irritation with "Always", While vs. When), Non-Continuous Verbs / Mixed Verbs, Adverb Placement, also you can find some exercises and related topics. Furthermore, you can find some interesting tests, which can help you to improve your skills.

### Tasks

By the time you have finished this WebQuest, you will learn how to use Past Continuous tense. Here you can find an additional source which can help you in your studies, for example there are many websites with general rules and examples of using Past Continuous. Moreover, you can find some pictures with general rules of using Past Continuous and some interesting and educational online lessons on the Youtube Channel «Crown Academy of English». Furthermore, there is a test which can check your knowledge about Past Continuous with the keys to check yourself. If you can't read English well, most of the pages with rules will be written in Russian.

### Process

To begin with, I will introduce you the general rules of Past Continuous tense such as ways to form Past Continuous and also when should we use this time. The next step will be an introduction of examples of using this tense. In addition to this, you should watch videos where you can find necessary information explained by a native speaker which can also bring you some benefits. And the final step will be to pass the test which will help you to realize what weak points do you have and about what accepts you don't need to worry anymore.

### Evaluation

1. Read when do we use Past Continuous  
2. Read the examples  
3. The next step is to find out how to form this tense  
4. To crown it all, you should write the tests and check yourself
