### Introduction

WELCOME TO YOUR MISSION You've been selected as my personal assistant. Alarming you that after you finish this task, you'll be given a reward. Your task is to help me find the different types of baking products in a old dangerous place. This is for the benefit of all the unfortunate people all over the world. &nbsp;Are you ready to become a superhero?&nbsp;You need to be skillful and alert on everything we encounter. READY?&nbsp;

### Tasks

Here's the different task you need to accomplished:1. You need to enter the house. Note that the old and dangerous house has a password.The password is about one general topic that Spiderman want you to accomplished.2. Take a closer look to the kitchen of the house and describe what you see.&nbsp;3. There are 4 cabinets. Every cabinet has a note. Think of what's the best answer for each note.&nbsp;4. You need to follow what's the instruction on the note before the dark hour comes.

### Process

You are walking towards the door when you remember that there is a password.One of those things that sounds really easy but can be extremely challengingAfter you got the password, you remember to watch out the four cabinets in the kitchen.You opened the first cabinet and you found out&nbsp;.....&nbsp;QUICK BREADSYou jot down notes on a Microsoft Word because you know this would help a lot of people&nbsp;You drink lots of water because you are so tired of the first task.Next, you opened the second cabinet and found something good to eat. It was a bunch of cookiesCOOKIESYou tasted the cookies and it was good.. It was perfect for the unfortunate people.Again you write the recipe of cookies on the Microsoft Word.After you write down all the recipe you realize that dark hours is coming and there are two cabinets left that you need to open.You opened the third cabinet but there is no note. You got distracted by the sound coming from the refrigerator and then you see the note.....&nbsp;CAKESYou then hear a shout coming from the window and it was SPIDERMANYou double your time and jot down all the notes you need from the video about cakes.You opened the last cabinet and it was....BUTTERCREAM FROSTINGCREAM CHEESE FROSTINGROYAL ICING"The dark hour is coming" Spiderman said, " You need to pick one type of baking products and make one." He added.&nbsp;&nbsp;Once you have chosen your ideal product from the different types of baking products presented above make one of it on your laboratory class.
