Introduction

Welcome to the WebQuest for our Copyright session. In this webquest you will learn about copyright law and how to make sure you are following it. First, we would like to see what you already know about copyright, so please click the link below to play a vocabulary game of words related to copyright:<https://www.educaplay.com/en/learningresources/3606397/html5/copyright.htm>To continue, please click the Video module on the left.

Tasks

Click the link below to view the video:<https://voicethread.com/myvoice/thread/10626187/61735177/59751676>After viewing the video, please visit the Resources page to find the links where you may research our topic to answer the questions on your handout.

Process

<https://www.plagiarismtoday.com/2008/02/28/10-basics-about-copyright-everyone-needs-to-know/http://info.legalzoom.com/copyright-laws-students-20239.html><http://www.copyrightkids.org/cbasicsframes.htm>Please use these links to share what you know about copyright on your handout.Next, please click on the Project module.

Evaluation

Finally, you will create a Poster to show what you have learned, and teach other students about copyright law. These posters will be displayed around the school so please make them:1) Accurate2) Visually appealing3) School appropriatePlease check the rubric below to see how you will be graded below. You may choose to make a poster covering any of the main topics which we learned about today. Please check with your teacher that your idea is approved before starting on your poster.
