

## Travelling by own

**WebQuest Description:** Planning of the first travel without parents and teachers!

**Grade Level:** 9-12

**Curriculum:** Life Skills / Careers

**Keywords:** travelling voyage experience

**Published On:**

**Last Modified:** 2018-04-02 06:06:14

**WebQuest URL:** <http://zunal.com/webquest.php?w=377611>

### Introduction

Hello my little friend! Can you believe - today you are going to start your first own travel?! Don't be so frightened! It's so easy. To travel safely you should follow some rules and advice. Having passed this quest, you will get all the necessary knowledge. Let's start!

### Tasks

You must research and compare the costs of round-trip airfare, hotels, activities, and food so they are feasible for you and your friends. Each group member will be assigned a role exploring the various aspects of the trip. In planning the trip, you must take the following into consideration: (For you to be easier we have found some resources for you) Appropriate destination (<https://www.lonelyplanet.ru/>)&nbsp;Duration of trip Modes of transportation (airplane or bus) ([tabc.io](http://tabc.io))&nbsp;Cost of hotel(s) ([Airbnb](http://Airbnb)) Restaurants Activities/itinerary ([Tripadvisor](http://Tripadvisor))&nbsp;Traveling expenses Educational benefits Safety Fundraising activities ([https://experience.tripster.ru/?utm\\_campaign=affiliates&utm\\_content=442763%2F541539&utm\\_source=admitad&utm\\_medium=admitad](https://experience.tripster.ru/?utm_campaign=affiliates&utm_content=442763%2F541539&utm_source=admitad&utm_medium=admitad))&nbsp;After researching and discussing the above components with your group members, you will collaboratively make a presentation requesting approval to proceed with the trip.

### Process

Try to find some information on Youtube and other sites. Add to your presentation pictures, videos, brochures and etc

### Evaluation

Category and Score	Beginning 1	Developing 2	Very Good 3	Exemplary 4	Score
Fulfilling task by researching information	Task is unfulfilled; research is incomplete.	Task is slightly fulfilled; research is missing many parts.	Task is mostly fulfilled; research is missing a few parts.	Task is fulfilled with thorough, thoughtful research.	%25
Reflection	No reflection is written.	Reflection is disorganized and does not express student understanding.	Reflection is thoughtful and expresses student understanding.	Reflection is organized, detailed, thoughtful, and expresses student understanding.	%25
Proposal	No proposal is written.	Proposal is vague and fails to demonstrate learning.	Proposal is organized, thorough, and demonstrates learning.	Proposal is professional, organized, thorough, and demonstrates learning.	%25
Team Cooperation	No one works together.	Some evidence of teamwork, but individuals have to be prompted to work together.	Good teamwork, but members are only fulfilling their task and neglecting to discuss with other members.	Great teamwork: every member is on task and engages fully in group discussion so as to produce the proposal.	%25
				Total Score	100%

### Conclusion

Great job, everyone! Your hard work and collaborative efforts are much appreciated! Since you completed your tasks and wrote the

proposal, you should now have a better understanding of planning an any trip. Hopefully it will be approved, that way you can pursue the trip and send out the information to families. Good luck!

## Teacher Page

Students made this work in groups or alone, it took them from 40 minutes (on the lesson) to the next lesson (homework)
