## Introduction

Canada Revenue Agency Tax Audits past tax owing to the government AT <https://rcfinancialgroup.com/cra-tax-audit/> Find us on Google Map : <https://goo.gl/maps/LHXAG1xRSU92> It is always better for you to have a brief idea about accounting as just going by what the accountant says can land you in trouble if the accountant is not of a good reputation. Always remember that it is you who will be responsible and not the accountant when it comes to errors and wrong information provided to the tax authorities. The Canada Revenue Agency Tax Audits risk-assessment system selects files to audit based on some conditions such as the potential for errors in tax returns or indications of non-compliance with tax obligations.
