

Category and Score	ease of use	time to prep	stability	beautific?	Score
can ANY-BODY figure it out?	without a tension headache? 25 points	time? 25 points	glitches? -100 points	pretty? 25 points	100
				Total Score	

Conclusion

I have not made a conclusion yet about this program

it behaves very nicely,MOST of the time.

seems more stable than other programs I have tried.

but, how will it POST?
