Introduction

By researching his life and the society in which he lived students will gain an appreciation of the environment in which Shakespeare's plays were written and therefore a better understanding of the plays themselves.

Tasks

Today you will be researching online the life and times of one of the most well-known authors of all time - William Shakespeare. Working in pairs, you will follow the instructions on the process page answering the questions on the handout by following the links provided to the appropriate websites and pages. You will have the entire lesson for this task which is to be completed for homework if necessary. As you research this topic I want you to keep in mind the differences between the audience of Shakespeare's time and you, the audience of today, considering how these differences affect your reaction to the play. We will discuss these ideas in our next lesson.
