Introduction

Dear student, how many times have you tried to talk about a last experience and you didn't know how to do it? In this learning unit you will know the characteristics of one of the most important elements when talking about the past: VERBS. If you carry out all the activities, you will learn what you need to tell your friends what you did on your last vacations or the last time you had a nice life experience. So, enjoy it!!!

Tasks

Before doing the activities, it is necessary that you watch the video resources to know how to form past simple verbs. Then, you can practice them through two famous songs. Good luck!

Process

1. Watch the video resource # 1 & #2 to learn how to form past simple verbs. 2. Practice the regular verbs form in resources # 3 & 4. 3. Develop the irregular verbs activities in resources # 5 & 6. 4. Listen to the song "LAST KISS" by Pearl Jam and read the lyric. Then, underline all the past verbs you find in order to classify them in regular or irregular. Don't forget to write the infinitive form of each one. You can look at the sample below: LAST KISS (Pearl Jam) Oh where, oh where, can my baby be?

The Lord TOOK her away from me
She's gone to heaven, so I've got to be good
So I can see my baby when I leave this world
We were out on a date in my daddy's car

We hadn't driven very far
There in the road, straight ahead
A car was stalled, the engine was dead
I couldn't stop, so I SWERVED to the right
I'll never forget the sound that night
The screamin' tires, the bustin' glass
The painful scream that I heard last
When I woke up the rain was pourin' down

There were people standing all around
Something warm rollin' through my eyes
But somehow I found my baby that night
I lift her head, she looked at me and said,
"Hold me darling, just a little while"
I held her close, I kissed her our last kiss
I found the love that I knew I would miss.
Well now she's gone

even though I hold her tight
I lost my love, my life, that night.

Example:- REGULAR: swerved (swerve)- IRREGULAR: took (take) 5. Finally, listen to "VIVA LA VIDA" by Coldplay and complete the lyric with the following verbs. All of them are in the infinitive form, so you have to write them in past. rule (x2) - close - give - blow - discover - be (x3) - hold - shatter - use (x3) VIVA LA VIDA (Coldplay) I _____ rule the world

Seas would rise when I _____ the word

Now in the morning I sweep alone
Sweep the streets I _____ to own

I _____ to roll the dice

Feel the fear in my enemy's eyes

Listen as the crowd would sing:

"Now the old king is dead! Long live the king!"

One minute I _____ the key
