Introduction

Welcome to the European corner! We live in Europe... How much do we know about it? First click on the following links to watch a video and answer the questions in the worksheet to check your previous knowledge... Then click on the 'task' button to find out what you need to do.

Tasks

Your class will prepare posters in English for the creation of a European corner. You will work with a partner to do the following activities: - Read texts and see maps with information about the European Union and European countries. - Gather information about the EU. - Gather information about a country. - Prepare a poster with your information. Now click on the 'Process' button to find out how to do these things.

Process

Get together with your partner(s) to do the following activities, using the links below. As you complete each step, go to the 'evaluation' page and check the rubric to make sure that you have included all the requirements. Step 1: Try to answer the questions of the check your previous knowledge worksheet. Step 2: Choose a country and print the worksheet for poster to keep notes and draw maps. Step 3: Open a file and download some pictures of your country for printing. Step 4: Prepare a hand-made poster with all the information, the maps and the pictures.
